DO NOT SCALE OFF THIS DRAWING, USE FIGURED DIMENSIONS ONLY.

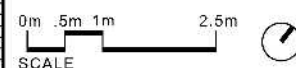

Dimensions, areas and levels where given are only approximate and subject to site survey. All dimensions are to be checked on site, prior to construction or construction preparation. Any discrepancies, proposed variations or omissions assumed are to be reported to the Designer without delay, before work commences.

This drawing is to be read in conjunction with the architectural specifications (where provided) and all relevant consultants and / or specialist drawings / documents.

Engineer to visit site following full step out to verify structural design, before work commences. Appointed contractor to ensure works on site comply fully with latest UK Building Regulations.

Electronic data / drawings are issued as 'read only' and should not be intercalled for measurement. All equipment and fittings locations, quality and specifications to be approved by specialist consultants and confirmed by user. All specified products to be installed in accordance with manufacturer guidelines and recommendations.
