

Project:	Orchard Hill College							BS 5837:2012 Trees in relation to construction-recommendations			Surveyed by	MR	 the landscape partnership planning and designing environments for life	
Ref:	E17865										Weather	Warm and Bright		
Date:	August 2017										Tagged	No		
Client:	MACE Group													
				Canopy Spread										
Tree No.	Tree species name	Height (m)	DBH (mm)	N	E	S	W	Height of branch clearance N,S,E,W	Height of crown clearance	Age class	Physiological/Structural condition problems/comments	Preliminary management	Estimated remaining contribution years	BS category U, A, B, C
G1	Various garden shrubs	3.5	VARIES					0	0	M	Fair, offsite boundary planting	Cut back to boundary to prevent obstruction of pedestrian access	10-20	C1
T1	Holly	7	150	1.5	1.5	1.5	1.5	0	0	M	Good, offsite planting	Cut back to boundary to prevent obstruction of pedestrian access	10-20	C1
T2	Yew	3	200, 200,	2	2	2	2	0	0	M	Good, offsite planting	Cut back to boundary to prevent obstruction of pedestrian access	10-20	C1
T3	Ash	10	250	4	4	4	4	0	0	M	Good, previously crown reduced, offsite planting	None	10-20	C1
T4	Cotoneaster	6	100	3	3	3	3	0	0	M	Good	None	10-20	C1
