

DO NOT SCALE FROM THIS DRAWING. All dimensions must be verified by the main contractor before the commencement on site of any item of work or the preparation of shop drawings. For their own work or that of sub-contractor or suppliers. This drawing is to be read in conjunction with all relevant documents. Any queries or discrepancies must be reported immediately to the architect. This document is copyright of DOWH Architects Ltd.

The drawing shows a long, low building facade with a series of vertical columns and horizontal louvers. A large, stylized 'NNR' logo is prominently displayed on the right side of the facade. The drawing includes a vertical elevation scale on the left, ranging from +21.00 m AOD to +35.00 m. Horizontal dimensions are provided for the spacing of the columns: 7365, 7500, 7500, and 7385. The drawing also includes a detailed material legend at the bottom, listing eight items: 1. Dove Grey Aluminium rainscreen cladding, 2. Dove Grey Solinear Solex Halo Brise Soleil, 3. Aluminium framed glazing with opening units, 4. Solinear 'Solex Halo' vertical brise-soleil, 5. Columns clad in Encasement circular aluminium casings, 6. Terrace edge aluminium planters with planting to Landscape Designer specification, 7. Dove Grey profiled aluminium cladding to warehouse, and 8. Backlit NNR signage. The drawing is a technical architectural elevation, likely a section or elevation view, showing the building's facade and structural elements. The NNR logo is a large, stylized blue and red graphic. The drawing is a technical architectural elevation, likely a section or elevation view, showing the building's facade and structural elements. The NNR logo is a large, stylized blue and red graphic. The drawing is a technical architectural elevation, likely a section or elevation view, showing the building's facade and structural elements. The NNR logo is a large, stylized blue and red graphic.
