Dear Thomas

RAF Uxbridge

Submission of amended drawings and report as requested in relation to flood compensation storage.

Thank you for your email dated 28 November 2013 with attached amended drawings and reports:

- Flood compensation Location Plan drawing reference 5124127/UXB/EA/3000, dated 28 October 2013, revision A02
- Flood compensation volumes plan, drawing reference 5124127/UXB/EA/3001, dated 28 October 2013, revision A02
- Flood compensation levels plan, drawing reference 5124127/UXB/EA/3002, dated 28 October 2013, revision A02
- Flood Plain reduction level for level plan, drawing reference PDFMRU301, dated 16 September 2010, revision 0
- Technical Note, by Atkins, dated 28 November 2013, reference 5105977-UXB-OUT-0661

We are satisfied that the information submitted now demonstrate that level for level floodplain compensation can be provided in the single northern area.

If you would like us to review any further information please note that from January 2013 we will be charging for detailed pre-application advice. If you have any further queries please contact me on the details below.

Yours sincerely
