

FILE NOTE

Job Number/Title:	2682 The Dice, St Andrews Park
Date:	20 th July 2017
Reason for note:	Specification of replacement Hornbeams
Recorded by:	NK
File Ref:	2682-SP-02

- 1.1. The existing Avenue of Hornbeams on the east side of Grays Road will be selectively thinned out through removal of alternate trees.
- 1.2. Remaining trees will be protected in accordance with BS:5837 Trees in relation to construction, through the duration of the construction period.
- 1.3. If during the construction period, or following the completion of the development any of the retained Hornbeams fails it should be replaced with a suitably sized tree. Specification of replacement trees is given below:

PLANT NAME	STOCK	GIRTH	HEIGHT	NOTES + HEIGHT AFTER 25YRS
Carpinus betulus	C	30-35cm	6m	2m clear stem, semi mature - Mature Height 10m after 25 years, upto 20m +

Example of semi-mature Carpinus betulus in the nursery
