Details of the pre-application advice received

A single planning certificate application had been submitted relative to proposed refurbishment works and permitted development. Mr Laughton suggested that the proposals be split over two parallel applications. This advice has been taken by the applicant.

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
