Details of the pre-application advice received

According to the Council's GIS, the site lies in Flood Zone 2. No Flood Risk Assessment (FRA) has been submitted to demonstrate that the proposed development is resilient to all sources of flooding. On that basis, it has not be demonstrated that the proposed development would accord with the requirements of Policy DMEI 9 of the Hillingdon Local Plan: Part 2 - Development Management Policies (2020) and it could not be supported by the Council.

The extension and alteration of an existing property may be acceptable if it is demonstrated that the development is safe and a detailed FRA provided, including an appropriate Flood Warning and Evacuation Plan.

The design of the side extension is not considered to follow the principles of good design in Policy DMHB 11 of the Hillingdon Local Plan: Part 2 - Development Management Policies (2020) . A side extension set in at least 1m from the side boundary that runs parallel to the side wall of the bungalow is more likely to be supported by the Council. The depth of the rear extension exceeds the Policy DMHD 1 of the Hillingdon Local Plan: Part 2 - Development Management Policies (2020) guidance of 3.6 metres for rear extensions on semi-detached properties and could not be supported by the Council. A 3.6m deep rear extension is more likely to be supported by the Council.

The depth of the rear extension exceeds the Policy DMHD 1 of the Hillingdon Local Plan: Part 2 - Development Management Policies (2020) guidance of 3.6 metres for rear extensions on semi- detached properties, would have an adverse impact on the amenity, daylight and sunlight of 7 Yeomans Acre and could not be supported by the Council. A 3.6m deep rear extension is more likely to be supported by the Council.

The proposed side and rear extensions appear to reduce the size of the rear garden of no. 8 Yeomans Acre to significantly below 100sqm, as required for a 4 bedroom dwelling in Policy DMHB 18 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020) and set out in Table 5.3. On that basis, the proposed development would not accord with the requirements of Policy DMHB 18 of the Hillingdon Local Plan: Part 2 - Development Management Policies (2020) and could not be supported by the Council.

To address these concerns in a future application, the footprint of the proposed side and rear extensions should be reduced so that the size of the retained rear garden of no. 8 Yeomans Acre is 100sqm, or more.

No. 8 Yeomans Acre is located within the Ruislip Motte & Bailey Archaeological Priority Area and Greater London Archaeological Advisory Service (GLAAS) would need to be consulted on any future application.

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

- ☒ No
