Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

☐ Yes

☒ No

Does the proposal consist of, or include, a change of use of the land or building(s)?

☒ Yes

☐ No

If Yes, please give a full description of the scale and nature of the proposed use, including the processes to be carried out, any machinery to be installed and the hours the proposed use will be carried out

The proposed use is to create 2 one bedroom flats.
The installation of 2 entrances within the building to the 2 flats.
The Installation of another kitchen.
Separation of energy supplies.
Addition of another electricity meter.
Separation of council tax

If Yes, please fully describe the existing or the last known use, with the date when this use ceased

A small HMO ceased on the 30/11/2024.

Has the proposal been started?

☒ Yes

☐ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The small HMO was lawful because it did not have 5 or more people and was not more than 3 tenants.
The proposed alterations are within the same class ie. Small HMO to dwellings (Class C) which is under permitted development.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use.

C4 - Houses in multiple occupation

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

I believe this proposal should be granted the lawful development certificate because the next door house is already split into 2 flats; there are no structural changes to the building; it comes under permitted development; and with this certificate I would like to separate the utilities and council tax and ultimately register the 2 separate flats with Land Registry.
