# n 1 - Existing

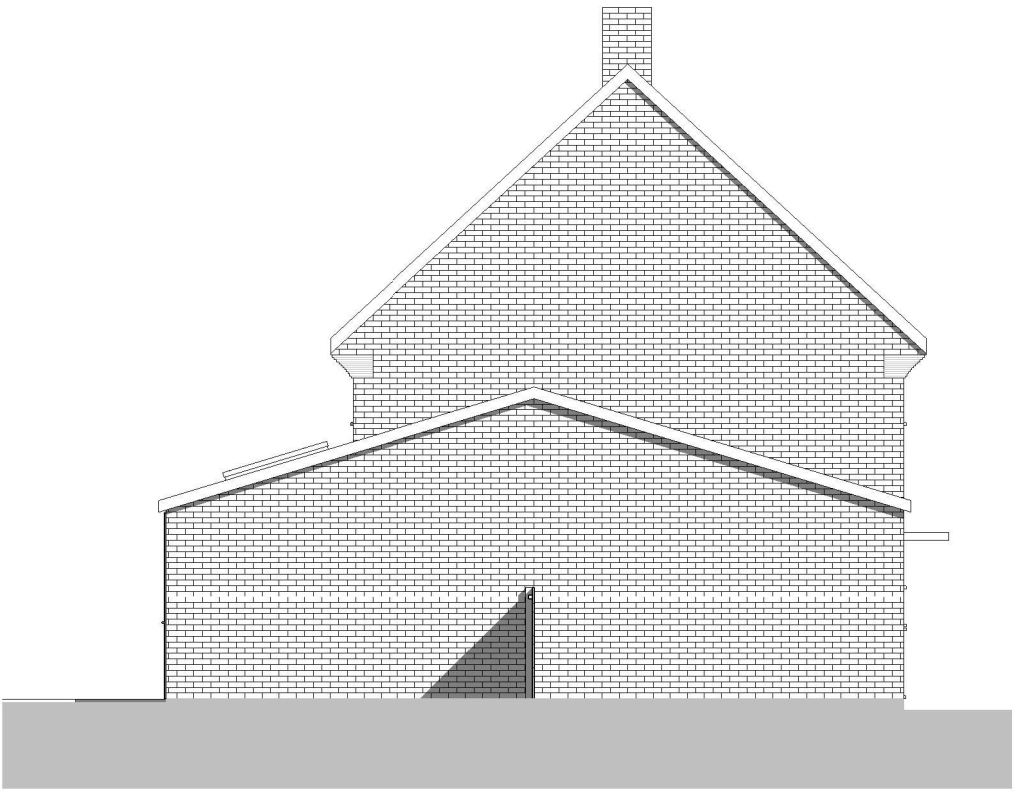

This architectural elevation drawing shows the front facade of an existing building. The structure is primarily constructed of brick, indicated by a cross-hatched pattern. It features a steep gabled roof with a central chimney. To the right, there is an addition with a lower, sloped roofline. The building is shown on a grey foundation. On the left side, three horizontal level markers are present: 'Loft' at 5240, 'Level 1' at 2670, and 'Level 0' at 0. On the right side, a 'Ground Level' marker is shown at -40. The drawing is a black and white line art with hatching for texture.
