Ed,

Further to my below emails and your most recent correspondence of 4 August, I can confirm for the avoidance of doubt that the draft s106 heads of terms (as originally circulated by you on 14 July and later revised as a result of our subsequent discussions) are agreed. We are obviously hoping that our suggested scope for the traffic impact study can be readily agreed with Shreekant, while we are raising the issue of TfL's late request for financial mitigation with Cathedral.

Regards
Tim
