General Notes

No dimensions are to be scaled from this drawing. The drawing should not be used to calculate areas for tendering purposes. All dimensions are shown in millimetres unless otherwise noted. All dimensions are checked on site by the contractor and such dimensions are the only ones to be used. Any discrepancies are to be reported to the architect before proceeding with the work. Drawing is to be read in conjunction with all relevant consultants' drawings and specifications. Drawing errors and omissions to be reported to the architect.
