

## DELEGATED HOUSEHOLDER DECISION

- Please select each of the categories that enables this application to be determined under delegated powers  
 - Criteria 1 to 5 or criteria 7 to 9 must be addressed for all categories of application, except for applications for Certificates of Lawfulness, etc.

<b>APPROVAL RECOMMENDED: GENERAL</b>		Select an Option
1.	No valid planning application objection in the form of a petition of 20 or more signatures, has been received	<input type="checkbox"/>
2.	Application complies with all relevant planning policies and is acceptable on planning grounds	<input type="checkbox"/>
3.	There is no Committee resolution for the enforcement action	<input type="checkbox"/>
4.	There is no effect on listed buildings or their settings	<input type="checkbox"/>
5.	The site is not in the Green Belt (but see 11 below)	<input type="checkbox"/>
<b>REFUSAL RECOMMENDED: GENERAL</b>		
6.	Application is contrary to relevant planning policies/standards	<input type="checkbox"/>
7.	No petition of 20 or more signatures has been received	<input type="checkbox"/>
8.	Application has not been supported independently by a person/s	<input type="checkbox"/>
9.	The site is not in Green Belt (but see 11 below)	<input type="checkbox"/>
<b>RESIDENTIAL DEVELOPMENT</b>		
10.	Single dwelling or less than 10 dwelling units and/or a site of less than 0.5 ha	<input type="checkbox"/>
11.	Householder application in the Green Belt	<input type="checkbox"/>
<b>COMMERCIAL, INDUSTRIAL AND RETAIL DEVELOPMENT</b>		
12.	Change of use of retail units on site less than 1 ha or with less than 1000 sq. m other than a change involving a loss of A1 uses	<input type="checkbox"/>
13.	Refusal of change of use from retail class A1 to any other use	<input type="checkbox"/>
14.	Change of use of industrial units on site less than 1 ha or with less than 1000sq.m. of floor space other than to a retail use.	<input type="checkbox"/>
<b>CERTIFICATE OF LAWFULNESS</b>		
15.	Certificate of Lawfulness (for proposed use or Development)	<input type="checkbox"/>
16.	Certificate of Lawfulness (for existing use or Development)	<input type="checkbox"/>
17.	Certificate of Appropriate Alternative Development	<input type="checkbox"/>
<b>CERTIFICATE OF LAWFULNESS</b>		
18.	ADVERTISEMENT CONSENT (excluding Hoardings)	<input type="checkbox"/>
19.	PRIOR APPROVAL APPLICATION	<input type="checkbox"/>
20.	OUT-OF-BOROUGH OBSERVATIONS	<input type="checkbox"/>
21.	CIRCULAR 18/84 APPLICATION	<input type="checkbox"/>
22.	CORPSEWOOD COVENANT APPLICATION	<input type="checkbox"/>
23.	APPROVAL OF DETAILS	<input type="checkbox"/>
24.	ANCILLARY PLANNING AGREEMENT (S.106 or S.278) where the Heads of Terms have already received Committee approval	<input type="checkbox"/>
25.	WORKS TO TREES	<input type="checkbox"/>
26.	OTHER (please specify)	<input type="checkbox"/>

**The delegation powers schedule has been changed. Interim Director of Planning, Regeneration & Public Realm can determine this application**

Case Officer:

Signature:

Date:

**A delegated decision is appropriate and the recommendation, conditions/reasons for refusal and informative's are satisfactory.**

Team Manager:

Signature:

Date:

**The decision notice for this application can be issued.**

**Director / Member of Senior Management Team:**

Signature:

Date:

**NONE OF THE ABOVE DETAILS SHOULD BE USED IN THE PS2 RETURNS ODPM**

**Item No.**                      **Report of the Head of Development Management and Building Control**

**Address:**                      64 LANGLEY CRESCENT HARLINGTON

**Development:**                Erection of single storey part side to rear extension

**LBH Ref Nos:**                6048/APP/2025/3014

**Drawing Nos:**                03  
     04  
     05  
     PP-14504692v1  
     01  
     02

**Date Plans received:**    01-12-25                      **Date(s) of Amendments(s):**

**Date Application valid**    05-01-26

## 1. CONSIDERATIONS

### 1.1 Site and Locality

The application property comprises a two storey semi-detached house located on a prominent corner plot on the northern side of Langley Crescent in Harlington. The property has been previously extended by way of a full width two storey side extension. Vehicular access is taken from the rear/side. An electricity substation is sited to the rear. The area is residential in character. The application site lies within Flood Zone 2.

### 1.2 Proposed Scheme

The application seeks planning permission for the erection of a single storey part side to rear extension.

### 1.3 Relevant Planning History

6048/APP/2024/691

64 LANGLEY CRESCENT HARLINGTON

Erection of a single storey 1-bedroom dwelling with associated parking and amenity space, following the demolition of existing garage.

**Decision:** 23-05-2024

Withdrawn

6048/APP/2023/2148

64 LANGLEY CRESCENT HARLINGTON

Erection of a new two storey two-bedroom dwelling following demolition of garage.

**Decision:** 06-09-2023

Withdrawn

6048/A/88/0048

64 LANGLEY CRESCENT HARLINGTON

Two storey side extension.

**Decision:** 10-03-1988

Approved

### **Comment on Planning History**

The relevant planning history is listed above.

## **2. Advertisement and Site Notice**

**2.1** Advertisement Expiry Date: Not applicable

**2.2** Site Notice Expiry Date: Not applicable

## **3. Comments on Public Consultations**

7 neighbouring properties were consulted by letter dated 15.1.26.

2 letters of objection have been received raising concerns about:

- recent tree removal - loss of privacy and loss of biodiversity
- Overdevelopment of the plot
- Out of character with the area
- Overbearing extension resulting in a loss of amenity
- increased noise and disturbance of already multi tenanted property
- Increased demand for parking and concerns relating to highway safety
- Concerns about asbestos in existing outbuilding and care needs to be taken if removed
- No precedent for extensions of this scale.

Contaminated Land Officer - No objection subject to informative.

## **4. Local Plan Designation and London Plan**

The following Local Plan Policies are considered relevant to the application:-

Part 1 Policies:

PT1.BE1 (2012) Built Environment

Part 2 Polices:

DMHB 11 Design of New Development

DMHB 18 Private Outdoor Amenity Space

DMHD 1 Alterations and Extensions to Residential Dwellings

DMT 2 Highways Impacts

DMT 6 Vehicle Parking

LPP D4 (2021) Delivering good design

LPP D3 (2021) Optimising site capacity through the design-led approach

LPP D6	(2021) Housing quality and standards
DMEI 9	Management of Flood Risk
LPP SI12	(2021) Flood risk management
EM6	(2012) Flood Risk Management

## 5. MAIN PLANNING ISSUES

The main considerations are the proposal's design and impact on the character of the existing property, the impact on the streetscene and locality, the impact upon the amenities of neighbouring properties, the reduction in the size of the rear garden, highways impact, and car parking provision.

Character and Appearance:

Paragraph 135 of the NPPF (2024) states:

Planning policies and decisions should ensure that developments:

a) will function well and add to the overall quality of the area, not just for the short term but over the lifetime of the development;

b) are visually attractive as a result of good architecture, layout and appropriate and effective landscaping;

c) are sympathetic to local character and history, including the surrounding built environment and landscape setting, while not preventing or discouraging appropriate innovation or change (such as increased densities);

d) establish or maintain a strong sense of place, using the arrangement of streets, spaces, building types and materials to create attractive, welcoming and distinctive places to live, work and visit;

e) optimise the potential of the site to accommodate and sustain an appropriate amount and mix of development (including green and other public space) and support local facilities and transport networks; and

f) create places that are safe, inclusive and accessible and which promote health and well-being, with a high standard of amenity for existing and future users<sup>51</sup>; and where crime and disorder, and the fear of crime, do not undermine the quality of life or community cohesion and resilience.

Policies D3 and D4 of the London Plan (2021) require development proposals to be high quality and enhance the local context, delivering buildings and spaces that positively respond to local distinctiveness.

Policy BE1 of the Hillingdon Local Plan: Part One - Strategic Policies (2012) seeks a quality of design in all new development that enhances and contributes to the area in terms of form, scale and materials; is appropriate to the identity and context of the townscape; and would improve the quality of the public realm and respect local character.

Policy DMHB 11 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020) advises that all development will be required to be designed to the highest standards and incorporate principles of good design. It should take into account aspects including the scale of the development considering the height, mass and bulk of adjacent structures; building plot sizes and established street patterns; building lines and streetscape rhythm and landscaping.

Policy DMHD 1 requires that alterations and extension of dwellings would not have an adverse cumulative impact on the character and appearance of the streetscene, and should appear

subordinate to the main dwelling.

With regard to rear extensions, Policy DMHD 1 requires:

- i) single storey rear extensions on terraced or semi-detached houses with a plot width of 5 metres or less should not exceed 3.3 metres in depth or 3.6 metres where the plot width is 5 metres or more;
- ii) single storey rear extensions to detached houses with a plot width of 5 metres or more should not exceed 4.0 metres in depth;
- iii) flat roofed single storey extensions should not exceed 3.0 metres in height and any pitched or sloping roofs should not exceed 3.4 metres in height, measured from ground level;

With regard to side extensions Policy DMHD1 requires:

- i) side extensions should not exceed half the width of the original property;
- ii) extensions to corner plots should ensure that the openness of the area is maintained and the return building line is not exceeded;

The proposed rear extension would project 4m to the rear, stepping out to 6m in depth at a distance of 5.3m from the boundary with Number 62 Langley Crescent. The extension will wrap around the side elevation, retaining a gap of 1m to the side boundary. The side extension is proposed to be set back from the front wall at a width of 1.47m, widening to meet the rear extension. The extension will be finished with a flat roof with a small area of false pitch to the front of the side extension. The extensions will accommodate a ground floor en-suite bedroom, shower room and extension to the kitchen/dining area.

Whilst officers acknowledge that the proposed extension exceeds the maximum depth required by Policy DMHD1, it will appear subordinate to the host dwelling. Being single storey and finished with a flat roof, retaining a gap to the side boundary which is defined by a 1.8m high concrete panel wall, the proposed extension is not considered to result in sufficient visual harm to the area to justify a refusal of planning permission. Sufficient garden space would be retained to the rear which would ensure that the extension would not appear cramped within its setting.

As such, officers consider that the proposal complies with the overarching aims of Policies D3 and D4 of the London Plan (2021), Policy BE1 of the Hillingdon Local Plan: Part One - Strategic Policies (2012), and Policies DMHD1 and DMHB 11 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020).

Neighbouring Amenity:

Policy D3 of The London Plan (2021) states that developments should deliver appropriate outlook, privacy, and amenity. Policy D6 states the site layout, orientation, and design of dwellings should provide privacy and adequate daylight for residents.

Policy DMHD 1 of Hillingdon Council's Local Plan: Part Two - Development Management Policies (2020) states that planning applications relating to dwelling alterations and extensions will be required to ensure that a satisfactory relationship with adjacent dwellings is achieved and there is no unacceptable loss of outlook to neighbouring occupiers. Policy DMHB 11 seeks to ensure that development proposals do not adversely impact the amenity, daylight, and sunlight of adjacent properties and open space.

Concerns have been raised that the proposal would result in unacceptable loss of amenity to the occupants of the neighbouring dwelling at Number 62 Langley Crescent. Number 62 has been extended by way of a 4m deep single storey extension alongside the boundary with the application

property. The 6m deep element is set 5.3m off this boundary and in light of the separation and modest projection of 2m beyond the rear wall of Number 62 Langley Crescent, officers are satisfied that the proposal would not result in unacceptable loss of light and outlook to the occupants of this property.

Officers note the concerns raised about the previous loss of trees from the site. The trees were not protected by a TPO and their previous loss, whilst regrettable, cannot be controlled by the Council.

Concerns have been raised in respect of intensification of use of the property. The application is submitted on householder application forms. There is no record of an HMO license at the property and its future use as an HMO would require the submission of a formal planning application.

All the proposed habitable rooms, and those altered by the extension, would maintain an adequate outlook and source of natural light.

The proposal would accord with the objectives of Policies D3 and D6 of The London Plan (2021) and Policies DMHD 1 and DMHB 11 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020) in this respect.

#### Outdoor Amenity Space:

Policy D6 of The London Plan (2021) requires a minimum of five sq. m. of private outdoor space for one- to two-person dwellings and an extra one sq. m. for each additional occupant.

Policy DMHD 1 of Hillingdon Council's Local Plan: Part Two - Development Management Policies (2020) states that planning applications relating to alterations and extensions of dwellings will be required to ensure that, vi) adequate garden space is retained, while Policy DMHB 18 states that developers should provide amenity space in accordance with Table 5.3 of the local plan. Table 5.3 requires developments to provide between 40 and 100 sq. m. of private outdoor amenity space, dependent on the number of bedrooms within the property. It should be well-located, well-designed, and usable for the private enjoyment of the occupier.

Following the redevelopment, the rear garden would retain 105 sq. m. of private amenity space.

The proposed development would comply with Policy D6 of The London Plan (2021) and Policies DMHD 1, DMHB 18, and Table 5.3 of Hillingdon Council's Local Plan: Part 2 - Development Management Policies (2020).

#### Highways and Parking:

The highway and parking provision would remain unaffected by the proposal.

#### Flooding:

Policy SI 12 of the London Plan (2021) states that development proposals should ensure that flood risk is minimised and mitigated and that residual risk is addressed.

Policy EM6 of the Hillingdon Local Plan: Part 1 - Strategic Policies (2012) states that Applicants must demonstrate that Flood Risk can be suitably mitigated.

Policy DMEI 9 of the Hillingdon Local Plan: Part 2 - Development Management Policies (2020) states that proposals that fail to make appropriate provision for flood risk mitigation or which would

increase the risk or consequences of flooding will be refused.

A Flood Risk assessment has been submitted in support of the scheme. The FRA advises that the finished floor levels of the proposed extension would be no lower than those of the existing house, as such the development would not put residents at any additional risk in a flood event.

#### Contamination

The Council's records show the development site to be on a former potentially contaminated land use identified as within 250 metres of a landfill buffer and or may have ground conditions which suggest possible ground gas risks. Given the scale of the development, an informative is added to the decision notice to alert the applicant of risks.

#### Conclusion:

For the reasons outlined within the main body of the report, the application is recommended for approval.

## 6. RECOMMENDATION

### **APPROVAL subject to the following:**

#### 1. HO1 Time Limit

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

#### REASON

To comply with Section 91 of the Town and Country Planning Act 1990.

#### 2. HO2 Accordance with approved

The development hereby permitted shall not be carried out except in complete accordance with the details shown on the submitted plans, numbers 03; 04 and 05.

#### REASON

To ensure the development complies with the provisions of the Hillingdon Local Plan Part 1 (2012) and Part 2 (2020), and the London Plan (2021).

#### 3. HO4 Materials

The materials to be used in the construction of the external surfaces of the development hereby permitted shall match those used in the existing building and shall thereafter be retained as such.

#### REASON

To safeguard the visual amenities of the area and to ensure that the proposed development does not have an adverse effect upon the appearance of the existing building in accordance with Policy DMHB 11 of the Hillingdon Local Plan Part 2 (2020)

#### 4. HO5 No additional windows or doors

Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (as amended) (or any order revoking and re-enacting that Order with or without modification), no additional windows, doors or other openings shall be constructed in the walls or roof slopes of the development hereby approved facing 62 Langley Crescent.

#### REASON

To prevent overlooking to adjoining properties in accordance with policy DMHB 11 of the Hillingdon Local Plan Part 2 (2020).

#### 5. HO7 No roof gardens

Access to the flat roof over the extension hereby approved shall be for maintenance or emergency purposes only and the flat roof shall not be used as a roof garden, terrace, balcony, patio or similar amenity area.

#### REASON

To prevent overlooking to adjoining properties in accordance with policy policy DMHB 11 of the Hillingdon Local Plan Part 2 (2020).

### INFORMATIVES

1. Demolition and removal of any material containing asbestos must be carried out in accordance with guidance from the Health and Safety Executive and the Council's Environmental Services. For advice and information contact: - Environmental Protection Unit, 3S/02, Civic Centre, High Street, Uxbridge, UB8 1UW (Tel. 01895 277401) or the Health and Safety Executive, Rose Court, 2 Southwark Bridge Road, London, SE1 9HS (Tel. 020 7556 2100).
2. Nuisance from demolition and construction works is subject to control under The Control of Pollution Act 1974, the Clean Air Acts and other related legislation. In particular, you should ensure that the following are complied with:-
  - A. Demolition and construction works which are audible at the site boundary shall only be carried out between the hours of 08.00 and 18.00 hours Monday to Friday and between the hours of 08.00 hours and 13.00 hours on Saturday. No works shall be carried out on Sundays, Bank or Public Holidays.
  - B. All noise generated during such works shall be controlled in compliance with British Standard Code of Practice BS 5228:2009.
  - C. Dust emissions shall be controlled in compliance with the Mayor of London's Best Practice Guidance 'The Control of dust and emissions from construction and demolition.
  - D. No bonfires that create dark smoke or nuisance to local residents.

You are advised to consult the Council's Environmental Protection Unit ([www.hillingdon.gov.uk/noise](http://www.hillingdon.gov.uk/noise) Tel. 01895 250155) or to seek prior approval under Section 61 of the Control of Pollution Act if you anticipate any difficulty in carrying out construction other than within the normal working hours set out in (A) above, and by means that would minimise disturbance to adjoining premises.

3. The Party Wall Act 1996 requires a building owner to notify, and obtain formal agreement from, any adjoining owner, where the building owner purposes to:
  - carry out work to an existing party wall;
  - build on the boundary with a neighbouring property;
  - in some circumstances, carry out groundworks within 6 metres of an adjoining building.Notification and agreements under this Act are the responsibility of the building owner and are quite separate from Building Regulations, or Planning Controls. The Building Control Service will assume that an applicant has obtained any necessary agreements with the adjoining owner, and nothing said or implied by the Council should be taken as removing the necessity for the building owner to comply fully with the Party Wall Act. Further information and advice is to be found in 'The Party Walls etc. Act - 1996 - Explanatory Booklet' published by the Department for Communities and Local Government.
4. The Council will recover from the applicant the cost of highway and footway repairs, including damage to grass verges.

Care should be taken during the building works hereby approved to ensure no damage occurs to the verge or footpaths during construction. Vehicles delivering materials to this development shall not override or cause damage to the public footway. Any damage will require to be made good to the satisfaction of the Council and at the applicant's expense.

For further information and advice contact - Highways Maintenance Operations, Central Depot - Block K, Harlington Road Depot, 128 Harlington Road, Hillingdon, Middlesex, UB3 3EU (Tel: 01895 277524).

For Private Roads: Care should be taken during the building works hereby approved to ensure no damage occurs to the verge of footpaths on private roads during construction. Vehicles delivering materials to this development shall not override or cause damage to a private road and where possible alternative routes should be taken to avoid private roads. The applicant may be required to make good any damage caused.

## 5. Gas Informative

Construction Techniques - It is recommended that the ground penetrating structure/s / extension / outbuilding / porch / building / electrical supply cables and panels is/are designed and constructed to prevent/minimise the possible entry of any migrating landfill gas/ground gas. Please contact your building surveyor and/or architect if you require advice concerning suitable construction techniques.

### REASON:

The Council's records show the development site to be on a former potentially contaminated land use identified as within 250 metres of a landfill buffer and or may have ground conditions which suggest possible ground gas risks.

## Standard Informatives

1. The decision to GRANT planning permission has been taken having regard to all relevant

planning legislation, regulations, guidance, circulars and Council policies, including The Human Rights Act (1998) (HRA 1998) which makes it Article 6 (right to a fair hearing); Article 8 (right to respect for private and family life); Article 1 of the First Protocol (protection of property) and Article 14 (prohibition of discrimination).

2. The decision to GRANT planning permission has been taken having regard to the policies and proposals in the Hillingdon Local Plan Part 1 (2012) and Part 2 (2020) set out below, including Supplementary Planning Guidance, and to all relevant material considerations, including The London Plan - The Spatial Development Strategy for London consolidated with alterations since 2011 (2016) and national guidance.

#### Part 1 Policies

PT1.BE1 (2012) Built Environment

#### Part 2 Policies:

DMHB 11 Design of New Development

DMHB 18 Private Outdoor Amenity Space

DMHD 1 Alterations and Extensions to Residential Dwellings

DMT 2 Highways Impacts

DMT 6 Vehicle Parking

LPP D4 (2021) Delivering good design

LPP D3 (2021) Optimising site capacity through the design-led approach

LPP D6 (2021) Housing quality and standards

DMEI 9 Management of Flood Risk

LPP SI12 (2021) Flood risk management

EM6 (2012) Flood Risk Management

3. You are advised this permission is based on the dimensions provided on the approved drawings as numbered above. The development hereby approved must be constructed precisely in accordance with the approved drawings. Any deviation from these drawings requires the written consent of the Local Planning Authority.
4. You are advised that if any part of the development hereby permitted encroaches by either its roof, walls, eaves, gutters, or foundations, then a new planning application will have to be submitted. The validity of this planning permission may be challengeable by third parties if the development results in any form of encroachment onto land outside the applicant's control that is considered to cause harm to local amenity.
5. Your attention is drawn to the need to comply with the relevant provisions of the Building Regulations, the Building Acts and other related legislation. These cover such works as - the demolition of existing buildings, the erection of a new building or structure, the extension or alteration to a building, change of use of buildings, installation of services, underpinning works, and fire safety/means of escape works. Notice of intention to demolish existing buildings must be given to the Council's Building Control Service at least 6 weeks before work starts. A completed application form together with detailed plans must be submitted for approval before any building work is commenced. For further information and advice, contact

- Building Control, 3N/01 Civic Centre, Uxbridge (Telephone 01895 558170).

6. You have been granted planning permission to build a residential extension. When undertaking demolition and/or building work, please be considerate to your neighbours and do not undertake work in the early morning or late at night or at any time on Sundays or Bank Holidays. Furthermore, please ensure that all vehicles associated with the construction of the development hereby approved are properly washed and cleaned to prevent the passage of mud and dirt onto the adjoining highway. You are advised that the Council does have formal powers to control noise and nuisance under The Control of Pollution Act 1974, the Clean Air Acts and other relevant legislation. For further information and advice, please contact - Environmental Protection Unit, 4W/04, Civic Centre, High Street, Uxbridge, UB8 1UW (Tel. 01895 250190).
7. The Party Wall Act 1996 requires a building owner to notify, and obtain formal agreement from, any adjoining owner, where the building owner purposes to:
  - carry out work to an existing party wall;
  - build on the boundary with a neighbouring property;
  - in some circumstances, carry out groundworks within 6 metres of an adjoining building.Notification and agreements under this Act are the responsibility of the building owner and are quite separate from Building Regulations, or Planning Controls. The Building Control Service will assume that an applicant has obtained any necessary agreements with the adjoining owner, and nothing said or implied by the Council should be taken as removing the necessity for the building owner to comply fully with the Party Wall Act. Further information and advice is to be found in 'The Party Walls etc. Act - 1996 - Explanatory Booklet' published by the Department for Communities and Local Government.
8. Your attention is drawn to the fact that the planning permission does not override property rights and any ancient rights of light that may exist. This permission does not empower you to enter onto land not in your ownership without the specific consent of the owner. If you require further information or advice, you should consult a solicitor.
9. Nuisance from demolition and construction works is subject to control under The Control of Pollution Act 1974, the Clean Air Acts and other related legislation. In particular, you should ensure that the following are complied with: -
  - A) Demolition and construction works should only be carried out between the hours of 08.00 hours and 18.00 hours Monday to Friday and between the hours of 08.00 hours and 13.00 hours on Saturday. No works shall be carried out on Sundays Bank and Public Holidays.
  - B) All noise generated during such works should be controlled in compliance with British Standard Code of Practice BS 5228: 1984.
  - C) The elimination of the release of dust or odours that could create a public health nuisance.
  - D) No bonfires that create dark smoke or nuisance to local residents.

You are advised to consult the Council's Environmental Protection Unit, 3S/02, Civic Centre, High Street, Uxbridge, UB8 1UW (Tel.01895 277401) or to seek prior approval under Section 61 of the Control of Pollution Act if you anticipate any difficulty in carrying out construction other than within the normal working hours set out in (A) above, and by means that would minimise disturbance to adjoining premises.

10. You are advised that care should be taken during the building works hereby approved to avoid spillage of mud, soil or related building materials onto the pavement or public highway. You are further advised that failure to take appropriate steps to avoid spillage or adequately clear it away could result in action being taken under the Highways Act.
11. To promote the development of sustainable building design and construction methods, you are encouraged to investigate the use of renewable energy resources which do not produce any extra carbon dioxide (CO<sub>2</sub>) emissions, including solar, geothermal and fuel cell systems, and use of high quality insulation.
12. You are advised that care should be taken during the building works hereby approved to ensure no damage occurs to the verge or footpaths during construction. Vehicles delivering materials to this development shall not override or cause damage to the public footway. Any damage will require to be made good to the satisfaction of the Council and at the applicant's expense. For further information and advice contact - Highways Maintenance Operations, Central Depot - Block K, Harlington Road Depot, 128 Harlington Road, Hillingdon, Middlesex, UB3 3EU (Tel: 01895 277524).
