Thank you Brendon for confirming.

Do you or Alec have any site photos of the property you could forward on to me in pdf format please?

Kind regards

I can confirm the roof lights will not protrude more than 150 mm above the roof plane and lower than the highest part of the original roof. I can also confirm materials will match existing.

Hi Alec

Thank you for your email. I made the mistake of writing the wrong number, but I did send an email to your agent to correct this.

If you could ask your planning agent to respond, I can then submit my report to be signed off and a decision notice sent out to you as soon as possible.

Many thanks

Ms Mandeep Chaggar

Dear Brendon

Further to my email below requesting site photos, please can you confirm the rooflights will not protrude more than 150 mm above the roof plane and lower than the highest part of the original roof.

Once I receive this information, I will submit my report to be checked by a manager.

Kind regards

Dear Brendon

Please can you email me site photos (in odf format) as we are currently unable to do site visits.

Please can you also confirm:

Materials will match the existing dwelling;
The rooflights are less than 150 mm above the roof plane and lower than the highest part of the original roof.

Kind regards

Ms Mandeep Chaggar
