Sorry you're leaving us

Hello Mr Kirishnamoorti Lakshmipathy

We'll close your account on 6th June 2019, and your new supplier will automatically take over your supply at the same time – so you won't be left without any electricity. If things change, we'll let you know.

Your Direct Debit

Please don't cancel your Direct Debit until we've closed your account, as we might need to take a final payment or give you a refund. We'll let you know before we do anything.

If you're due a refund, please note that it can take up to 14 days for it to be sent to you after you've received your final bill or statement.

Why smart meters are better for you

Don't forget, you get the following benefits with our smart meters – which you might lose if you leave us:

- You don't need to send us meter readings, as they're sent automatically
- Your bills are accurate – not estimated
- You can see what you're spending on your energy, as you use it

If you've changed your mind

If you don't know anything about this, or you're having second thoughts, please give us a call straight away on 0333 202 9454*. If you use a textphone call 18001 0800 072 8626.

Thanks

Sarwjit Sambhi
