Certificate of Lawfulness for a Proposed Use

This application seeks a Certificate of Lawfulness for a proposed change of use from a single dwellinghouse (Use Class C3(a)) to a small residential care home (Use Class C3(b)).

The proposed development will accommodate up to four children living together as a single household, with care provided by one live-in carer. The nature of the occupation and level of care falls within the definition of Use Class C3(b), which includes small group living arrangements where residents receive care while living together as a single household.

The proposed change of use is considered lawful under the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) and the Town and Country Planning (Use Classes) Order 1987 (as amended). This is on the basis that no more than four residents will occupy the property, and the use will function as a single household with integrated care provision.
