Dear Mandip,

**Re: Town and Country Planning Act 1990
Planning Application for Top Floor Extension at Terminal 2 Hotel, Cessna
Road, Heathrow Airport, TW6 1EW**

The planning application comprises:

- This covering letter

- £924 planning fee that has been paid electronically.
- Drawings refs:

 - Downlights - Technical Detail

The consent for the hotel (reference: 62360/APP/2017/3000) incorporated a boardroom suite at roof level which would create a unique facility that would complement and enhance the appearance of the hotel. However, it was felt a more appropriate use of this top floor would be for a hotel 'Sky bar' taking

advantage of the views available at this unique vantage point at the centre of the airport. Construction of the hotel is substantially complete, and this application seeks to provide the sky bar as an extension to the hotel, in lieu of the boardroom suite.

If you have any questions or require further information, please do not hesitate to contact me.

Yours sincerely
