Outdoor LED Spotlight

Details

The Proy LED spotlight has a modern contemporary design that is an ideal lighting solution for lighting exterior areas of the home or commercial spaces. With light outputs 2000 lumens of light this light is ideal for illuminating areas for added safety and security during night time hours. Using low energy LED technology it makes for a low running cost and low maintenance lighting solution compared to traditional lamps.

The body is produced in highly durable technopolymer and extruded aluminium complete with a glass diffuser.

- 1 x 20W LED Citizen lamp produces 2000 lm of light output in a 3000K warm white colour tone.
- 90° Adjustable on vertical axis.
- IP65 IK08 protected against the elements.
- LED lifespan 100,000 hours.
- Electronic gear included (Eagle Rise)
- 5 year warranty.

Lamps included
