Details of the pre-application advice received

We received the previous Discharge of condition application acknowledgment on the 24th June, with a decision date set of the 30th July. We then received a refusal notice on the 27th June.

No contact was made by the planner to ask for the additional information. The planner hadn't looked at the previously approved condition 8 (SUDS) which contains the information that they have asked to be included as part of condition 9. Based on the refusal notice, I believe the planner has confused condition 9 with Condition 8, which has already been discharged.

We would ask that proper process and time be allocated for the condition application, on this submission.
