Notes

Notes

This architectural elevation drawing shows a four-unit residential building. The drawing includes height markers for the 'FIRST' and 'GROUND' levels, indicated by dashed green lines and arrows. The height from the ground to the first floor is 2385, and the height from the first floor to the roofline is 2270. The building features various window and door configurations across the four units, including a small porch on the far right unit.
