Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

Further to the purchase of this site Gavacan Homes seek amendments to Plots 7-9 to reflect market demand.

It is proposed to change the terrace of three dwellings to a detached dwelling (Plot 7) and a pair of semi-detached dwellings (Plots 8-9). These dwellings are of new designs, following the design language and detailing used for the plots 1-2 and the flats Plots 3-6. It is now proposed to install of PV panels on the roofs.

The dwellings are designed to maintain separation distances of about 21m to units 3-6 and 3 Foxdell to ensure no overlooking.

Plots 8-9 are positioned to ensure no overshadowing to 1 Foxdell and the buildings will not breach the 45deg rule to the windows of 1 Foxdell.

Each dwelling is provided with private amenity areas complying with the council's amenity standards. Each dwelling will also be provided with two parking spaces.

Plots 8-9 will benefit from a sedum roofed carport, enhancing bio-diversity of the site.

The position of the approved location of plots 7-9 is shown in a blue dashed line on the site proposals drawings.

The access to Dene Road remains as approved.

The tree belt and new planting zone between the development and Green End which is a Grade II* Listed building, remains as the approved scheme.

This application is also accompanied by an updated tree report, and a supporting Heritage Statement.

The flank elevations retain the detailing and articulation of the approved scheme and there will be no impact on the on the heritage setting of Green End or neighbouring dwellings and no loss of amenities.

If you wish the existing condition to be changed, please state how you wish the condition to be varied
