Details of the pre-application advice received

I emailed the planning team, this was the response from Richard,

"I can confirm that permitted development rights for outbuildings have been removed from that part of the Willow Tree Lane estate so planning permission will be required for the outhouse.

The structure will be assessed in terms of it's impact on the character and appearance of the area, the amenity of adjoining occupiers and the amount of garden space that will remain.

Advice on outbuildings can be found in the attached document and the proposed outbuilding (5m x 2.3m) is within size tolerances subject to it's overall height."

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
