...

It is with much sadness, that I need to inform everyone that Hayes Spiritualist Society has now disbanded and the hall is permanently closed. After the resignation of various committee members recently; there were not enough people coming forward at a meeting of members last month, to fill the vacancies and keep the society going. A formal vote of closure was then taken and passed by majority decision.

The church would like to thank everyone who has come to the church over the years for healing and divine service and hope it has helped with your spiritual needs.

If you are able to travel a short distance, there are a number of spirituaist churches nearby that offer healing and divine service. Hopefully, these will be of use to you for your future spiritual development.

So sorry to hear this sad news. My father William Randall was a Healer there back in the early 50s and I used to be taken along to a service when I was about 4 so very fond memories of this church.

It looks like, he was one of the very first healers at the church. The SNU only purchased the hall in 1949.

Church Re-opening News – February 2022

We are in the process of carrying out essential repairs to the church building, to make it safe and comfortable. While this is going on, we are holding a free monthly public service on Zoom on the second Wednesday of the month at 7.30pm, with meditation, healing and spirit communication.

The Zoom meetings before Easter are on:

9 March

13 April

The meeting ID is 4408388371 and no password is required.

We hope to resume both healing and live services after Easter on alternate Wednesdays and will announce dates here later.

We would just like to thank every body helping out at our Christmas Fayre on Saturday. There was a gentle stream of visitors through out the day.

David Chapman had a flow of people receiving messages from loved ones to prove our beliefs.
