

IMG 2 - Showing the branches overhanging and touching the property, and where we propose to cut them back, providing we have a suitable growth point

IMG 3 - Branches overhanging and suppressing the limes trees and hedge

Apologies for the confusion, They are now listed as they should be. Please let me know if I need to clear anything up or if you need anything else from me.

Best wishes,

Sam

Good Afternoon,

Thank you for your application to carry out tree work.

Your work description mentions pruning specific branches indicated in IMG 1, 2 and 3 however we have only received two photos, which I have attached for your reference.
