Construction

Trays are to be constructed from 3mm Aluminium Sheet Alloy 1050A H14/H24. Fixing bars are to be 21/2" X 21/2" X 1/4" Aluminium Equal Angle Alloy 6082 T6. Trays and fixing bars all to be attached by the use of 5.5mm x 32mm Self Drilling Tek Screws for Heavy Sections c/w 16mm Bonded Washer (actual Tek length to be determined on site by fitting team).

Prints are on a Calendered Polymeric 70 μ Vinyl with a Permanent, grey Solvent-based acrylic adhesive. Print is then laminated with a 75 μ Polymeric Gloss Laminate also with a Solvent-based acrylic adhesive.

The logo for Acorn Signs. The word "acorn" is written in a bold, lowercase, sans-serif font. The letters "a", "c", "o", and "r" are in blue, while "n" is in red. A red, stylized "a" shape is positioned to the left of the "c", partially overlapping it. Below the word "acorn" is the website "signs.co.uk" in a smaller, red, lowercase sans-serif font.
