This is a black and white architectural elevation drawing of a building facade. The drawing is oriented horizontally. On the left, there is a section with horizontal siding. To its right is a large gable filled with diagonal hatching. Above this gable, there is a smaller gable and two brick chimneys. On the far right, there is a small porch area with a window and a textured base. The drawing uses various line styles and patterns to represent different materials and architectural features.

Floor plan of the first floor showing the following areas and features:

- CONSERVATORY**: Located at the top of the plan.
- RECEPTION**: A large central area on the left side.
- BATHROOM**: Located in the center-right, containing a bathtub, toilet, and sink. Dimensions are 751 and 325.
- STORAGE**: Located to the right of the bathroom.
- Staircase**: Located at the bottom right, labeled "UP".
- Entrances**: Indicated by dashed lines at the top and bottom center.
- Structural Elements**: Thick black lines represent walls, and thin lines represent doors and windows.
