Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed change of use from Class C3(a) to Class C3(b) is considered lawful under the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) and the Use Classes Order 1987 (as amended). This is on the basis that no more than four residents will occupy the property, living together as a single household with care provided to meet their needs.

In the case of the application site, the proposal involves four residents living together in a single household arrangement where care is provided, and therefore falls within the scope of Class C3(b).
