Residents Services

APP. REF. NO: 69052/APP/2013/506

DELEGATED HOUSEHOLDER DECISION

- *Please select each of the categories that enables this application to be determined under delegated powers*
- *Criteria 1 to 5 or criteria 7 to 9 must be addressed for all categories of application, except for applications for Certificates of Lawfulness, etc.*

APPROVAL RECOMMENDED: GENERAL	Select Option
1. No valid planning application objection in the form of a petition of 20 or more signatures, has been received	☐
2. Application complies with all relevant planning policies and is acceptable on planning grounds	☐
3. There is no Committee resolution for the enforcement action	☐
4. There is no effect on listed buildings or their settings	☐
5. The site is not in the Green Belt (but see 11 below)	☐
REFUSAL RECOMMENDED: GENERAL	
6. Application is contrary to relevant planning policies/standards	☐
7. No petition of 20 or more signatures has been received	☐
8. Application has not been supported independently by a person/s	☐
9. The site is not in Green Belt (but see 11 below)	☐
RESIDENTIAL DEVELOPMENT	
10. Single dwelling or less then 10 dewlling units and/or a site of less than 0.5 ha	☐
11. Householder application in the Green Belt	☐
COMMERCIAL, INDUSTRIAL AND RETAIL DEVELOPMENT	
12. Change of use of retail units on site less than 1 ha or with less than 1000 sq m other than a change involving a loss of A1 uses	☐
13. Refusal of change of use from retail class A1 to any other use	☐
14. Change of use of industrial units on site less than 1 ha or with less than 1000sq.m. of floor space other than to a retail use.	☐
CERTIFICATE OF LAWFULNESS	
15. Certificate of Lawfulness (for proposed use or Development)	☐
16. Certificate of Lawfulness (for existing use or Development)	☐
17. Certificate of Appropriate Alternative Development	☐
CERTIFICATE OF LAWFULNESS	
18. ADVERTISMENT CONSENT (excluding Hoardings)	☐
19. PRIOR APPROVAL APPLICATION	☐
20. OUT-OF-BOROUGH OBSERVATIONS	☐
21. CIRCULAR 18/84 APPLICATION	☐
22. CORPSEWOOD COVENANT APPLICATION	☐
23. APPROVAL OF DETAILS	☐
24. ANCILLARY PLANNING AGREEMENT (S.106 or S.278) where Heads of Terms have already received Committee approval	☐
25. WORKS TO TREES	☐
26. OTHER (please specify)	☐

The delegation powers schedule has been checked. Director of Residents Services can determine this application.

Item No. **Report of the Head of Planning, Sport and Green Spaces**

Address 54 RAMULIS DRIVE HAYES

Development: Conservatory to rear

LBH Ref Nos: **69052/APP/2013/506**

Drawing Nos: Proposed Plan and Elevations
Block Plan to Scale 1:500
Existing Plan and Elevations
Location Plan to Scale 1:1250
Photograph

Date Plans Received: 01/03/2013 **Date(s) of Amendment(s):**

Date Application Valid: 21/03/2013

1. CONSIDERATIONS

1.1 Site and Locality

The application site is located within the town of Hayes to the west of Ramulis Drive. The property is a relatively modern terraced dwelling with three similar properties attached to the application property to the north. Residential properties of a similar size and scale surround the application site. The blank gable wall of 49 Ramulis Drive lies to the front (east) of the site and a footpath and car park lies to the rear (west) of the application site. A large area of open amenity space lies directly to the south of the application site.

The site lies within the "developed area" are identified within Part 2 - Saved Policies of the Hillingdon Local Plan (2012).

1.2 Proposed Scheme

The application seeks planning permission to erect a single conservatory extension to the rear. The proposed development would occupy the full width of the rear elevation of the original dwelling having a projection to the rear of 3m. It would have a maximum eaves height of 2.095m and a maximum ridge height of 3.38m. A set of French doors and two small windows would be placed in the rear elevation. No windows would be placed in the side elevations of the extension.

1.3 Relevant Planning History
Comment on Planning History

The site does not have any previous planning history

2. Advertisement and Site Notice

2.1 Advertisement Expiry Date:- Not applicable

2.2 Site Notice Expiry Date:- Not applicable

3. Comments on Public Consultations

1 consultation letter was sent to the neighbouring property 52 Ramulis Drive and a site notice was displayed adjacent to the property.

No comments or objections were received with regards to the development.

4. UDP / LDF Designation and London Plan

The following UDP Policies are considered relevant to the application:-

Part 1 Policies:

PT1.BE1	(2012) Built Environment

Part 2 Policies:

AM14	New development and car parking standards.
BE13	New development must harmonise with the existing street scene.
BE15	Alterations and extensions to existing buildings
BE19	New development must improve or complement the character of the area.
BE20	Daylight and sunlight considerations.
BE21	Siting, bulk and proximity of new buildings/extensions.
BE23	Requires the provision of adequate amenity space.
BE24	Requires new development to ensure adequate levels of privacy to neighbours.
HDAS-EXT	Residential Extensions, Hillingdon Design & Access Statement, Supplementary Planning Document, adopted December 2008
LPP 5.3	(2011) Sustainable design and construction

5. MAIN PLANNING ISSUES

The main considerations are the design and impact on the character of the existing property, the impact upon the amenities of adjoining occupiers, the reduction in size of the rear garden and car parking provision.

In terms of design and appearance, the proposed extension would be constructed from a dwarf brick wall that matches the bricks used in the construction of the original property and would have fenestration that is of similar materials and design. The rear conservatory extension would be visible from the public realm, but due to its limited size, matching materials and its location, being partially screened by a 1.8m high boundary fence, the main dwelling and neighbouring properties, it would be considered a subordinate and sympathetic addition to the parent dwelling. Given the overall width, depth, height and overall size of the proposal, it is considered not to have a detrimental impact on the appearance of the dwelling and the wider area. The proposal is considered to be in accordance with Policies BE13, BE15 and BE19 of the Hillingdon Local Plan: Part Two - Saved UDP Policies (November 2012).

The depth of the proposal would not exceed HDAS paragraph 3 guidance at 3m, and the proposed height would be within the permitted 3.4m for a sloping roof. Due to these sizes, the proposal would not have a detrimental impact on the current levels of daylight and outlook afforded to the occupiers of the adjoining dwelling as the proposal has a depth and height less than that allowed under the HDAS guidance. There are no flank windows proposed, hence, no privacy or overlooking concerns are raised. There are no other immediate neighbouring properties that would be affected by the extensions. The proposal would be considered to be in compliance with Policies BE20, BE21 and BE24 of the Hillingdon Local Plan: Part Two - Saved UDP Policies (November 2012).

It is considered that all the proposed habitable rooms, and those altered by the proposals, would maintain an adequate outlook and source of natural light due to the design and materials used, therefore complying with Policy 5.3 of the London Plan (2011).

In terms of the garden area at least 40m2 of rear private garden should be retained to provide adequate amenity space for a dwelling of this size. The resultant rear garden amenity space would be approximately 35m2. Due to the nature of the development, being a heavily glazed conservatory, it is considered that this type of extension would be an extension to the rear garden and lead to an increase in use, particularly in poor weather. Sufficient space is retained for the hanging of washing and the storage of householder items such as wheelie bins and the site is located adjacent to an extremely large plot of amenity open space so whilst the development does not fully accord with the paragraph 3.13 and 4.9 of the HDAS, it is considered that the development is acceptable due the sites specific circumstances.

The existing parking to the frontage and side of the property would not be altered would provide parking for in excess of two vehicles. The proposal would therefore be in compliance with Policy AM14 of the Hillingdon Local Plan: Part Two - Saved UDP Policies (November 2012).

This application is therefore recommended for approval.

6. RECOMMENDATION

APPROVAL subject to the following:

1 HO1 Time Limit

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON
To comply with Section 91 of the Town and Country Planning Act 1990.

2 HO2 Accordance with approved

The development hereby permitted shall not be carried out except in complete accordance with the details shown on the submitted plans, numbers [ ]

REASON
To ensure the development complies with the provisions of the Hillingdon Local Plan: Part Two Saved UDP Policies (November 2012) and the London Plan (July 2011).

3 HO4 Materials

The materials to be used in the construction of the external surfaces of the development hereby permitted shall match those used in the existing building and shall thereafter be retained as such.

REASON
To safeguard the visual amenities of the area and to ensure that the proposed development does not have an adverse effect upon the appearance of the existing building in accordance with Policy BE15 Hillingdon Local Plan: Part Two Saved UDP Policies (November 2012)

INFORMATIVES

Standard Informatives

1 The decision to GRANT planning permission has been taken having regard to all relevant planning legislation, regulations, guidance, circulars and Council policies, including The Human Rights Act (1998) (HRA 1998) which makes it unlawful for the Council to act incompatibly with Convention rights, specifically Article 6 (right to a fair hearing); Article 8 (right to respect for private and family life); Article 1 of the First Protocol (protection of property) and Article 14 (prohibition of discrimination).

2 The decision to GRANT planning permission has been taken having regard to the policies and proposals in the Hillingdon Unitary Development Plan Saved Policies (September 2007) as incorporated into the Hillingdon Local Plan (2012) set out below, including Supplementary Planning Guidance, and to all relevant material considerations, including the London Plan (July 2011) and national guidance.

Part 1 Policies:

PT1.BE1	(2012) Built Environment

Part 2 Policies:

AM14	New development and car parking standards.
BE13	New development must harmonise with the existing street scene.
BE15	Alterations and extensions to existing buildings
BE19	New development must improve or complement the character of the area.
BE20	Daylight and sunlight considerations.
BE21	Siting, bulk and proximity of new buildings/extensions.
BE23	Requires the provision of adequate amenity space.
BE24	Requires new development to ensure adequate levels of privacy to neighbours.
HDAS-EXT	Residential Extensions, Hillingdon Design & Access Statement, Supplementary Planning Document, adopted December 2008
LPP 5.3	(2011) Sustainable design and construction

3 You are advised this permission is based on the dimensions provided on the approved drawings as numbered above. The development hereby approved must be constructed precisely in accordance with the approved drawings. Any deviation from these drawings requires the written consent of the Local Planning Authority.

4 You are advised that if any part of the development hereby permitted encroaches by either its roof, walls, eaves, gutters, or foundations, then a new planning application will have to be submitted. This planning permission is not valid for a development that results in any form of encroachment.

5 Your attention is drawn to the need to comply with the relevant provisions of the Building Regulations, the Building Acts and other related legislation. These cover such works as - the demolition of existing buildings, the erection of a new building or structure, the extension or alteration to a building, change of use of buildings, installation of services, underpinning works, and fire safety/means of escape

works. Notice of intention to demolish existing buildings must be given to the Council's Building Control Service at least 6 weeks before work starts. A completed application form together with detailed plans must be submitted for approval before any building work is commenced. For further information and advice, contact - Planning, Environment and Community Services, Building Control, 3N/01 Civic Centre, Uxbridge (Telephone 01895 250804 / 805 / 808).

6 You have been granted planning permission to build a residential extension. When undertaking demolition and/or building work, please be considerate to your neighbours and do not undertake work in the early morning or late at night or at any time on Sundays or Bank Holidays. Furthermore, please ensure that all vehicles associated with the construction of the development hereby approved are properly washed and cleaned to prevent the passage of mud and dirt onto the adjoining highway. You are advised that the Council does have formal powers to control noise and nuisance under The Control of Pollution Act 1974, the Clean Air Acts and other relevant legislation. For further information and advice, please contact - Environmental Protection Unit, 4W/04, Civic Centre, High Street, Uxbridge, UB8 1UW (Tel. 01895 250190).

7 The Party Wall Act 1996 requires a building owner to notify, and obtain formal agreement from, any adjoining owner, where the building owner proposes to:
- carry out work to an existing party wall;
- build on the boundary with a neighbouring property;
- in some circumstances, carry out groundworks within 6 metres of an adjoining building.

Notification and agreements under this Act are the responsibility of the building owner and are quite separate from Building Regulations, or Planning Controls. The Building Control Service will assume that an applicant has obtained any necessary agreements with the adjoining owner, and nothing said or implied by the Council should be taken as removing the necessity for the building owner to comply fully with the Party Wall Act. Further information and advice is to be found in "the Party Walls etc. Act 1996 - explanatory booklet" published by the ODPM, available free of charge from the Planning, Environment and Community Services Reception Desk, Civic Centre, Uxbridge, UB8 1UW.

8 Your attention is drawn to the fact that the planning permission does not override property rights and any ancient rights of light that may exist. This permission does not empower you to enter onto land not in your ownership without the specific consent of the owner. If you require further information or advice, you should consult a solicitor.

9 Nuisance from demolition and construction works is subject to control under The Control of Pollution Act 1974, the Clean Air Acts and other related legislation. In particular, you should ensure that the following are complied with: -

A) Demolition and construction works should only be carried out between the hours of 08.00 hours and 18.00 hours Monday to Friday and between the hours of 08.00 hours and 13.00 hours on Saturday. No works shall be carried out on Sundays, Bank and Public Holidays.

B) All noise generated during such works should be controlled in compliance with

British Standard Code of Practice BS 5228: 1984.

C) The elimination of the release of dust or odours that could create a public health nuisance.

D) No bonfires that create dark smoke or nuisance to local residents.

You are advised to consult the Council's Environmental Protection Unit, 3S/02, Civic Centre, High Street, Uxbridge, UB8 1UW (Tel.01895 277401) or to seek prior approval under Section 61 of the Control of Pollution Act if you anticipate any difficulty in carrying out construction other than within the normal working hours set out in (A) above, and by means that would minimise disturbance to adjoining premises.

10 You are advised that care should be taken during the building works hereby approved to avoid spillage of mud, soil or related building materials onto the pavement or public highway. You are further advised that failure to take appropriate steps to avoid spillage or adequately clear it away could result in action being taken under the Highways Act.

11 To promote the development of sustainable building design and construction methods, you are encouraged to investigate the use of renewable energy resources which do not produce any extra carbon dioxide (CO2) emissions, including solar, geothermal and fuel cell systems, and use of high quality insulation.

12 You are advised that care should be taken during the building works hereby approved to ensure no damage occurs to the verge or footpaths during construction. Vehicles delivering materials to this development shall not override or cause damage to the public footway. Any damage will require to be made good to the satisfaction of the Council and at the applicant's expense. For further information and advice contact - Highways Maintenance Operations, Central Depot - Block K, Harlington Road Depot, 128 Harlington Road, Hillingdon, Middlesex, UB3 3EU (Tel: 01895 277524).
