This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Thank you for your e-mail and I am sorry to hear of the reasons for the delay. When I was a lad dealing with planning applications it was 5 year permissions and I would have extended them to 10 years as 3 years is a nonsense.

This is the extract from our latest validation checklist created in 2024 (copy also attached):-

I would be surprised if a resubmission triggered the need for more reports beyond the need for one on trees and design that were provided with application 69523/APP/2021/1305.

Please note that the comments made in this email represent officer opinion and cannot be seen to prejudice the Local Planning Authority's formal determination in relation to any application or planning matter.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
