Date Plans Received: 04/02/2015 **Date(s) of Amendment(s):**

Date Application Valid: 23/02/2015

1. CONSIDERATIONS

1.1 Site and Locality

The application property comprises of a modest back to back one bedroom end terraced dwelling located on the eastern side of Pikestone Close which is located within the Developed Area as identified within the Hillingdon Local Plan Saved UDP Policies (November 2012). The property faces Broadmead Road. A modest front garden is enclosed by 1.8m high fencing.

1.2 Proposed Scheme

The application seeks planning permission for the erection of a porch to the front, extending the existing bin/meter store and creating a porch which would project 1.5m by 2m in depth. The proposed porch would be finished with a shallow pitched roof which would reflect the existing height of the bin/meter store to the front.

1.3 Relevant Planning History
Comment on Planning History

There is no planning history of relevance to this application.

2. Advertisement and Site Notice

2.1 Advertisement Expiry Date:- Not applicable

2.2 Site Notice Expiry Date:- Not applicable

3. Comments on Public Consultations

2 neighbouring properties were consulted by letter dated 25.2.15 and a site notice was displayed which expired on 27.3.15.

No responses have been received to date.

4. UDP / LDF Designation and London Plan

The following UDP Policies are considered relevant to the application:-

Part 1 Policies:

PT1.BE1 (2012) Built Environment

Part 2 Policies:

AM7	Consideration of traffic generated by proposed developments.
AM14	New development and car parking standards.
BE13	New development must harmonise with the existing street scene.
BE15	Alterations and extensions to existing buildings
BE19	New development must improve or complement the character of the area.
BE20	Daylight and sunlight considerations.
BE21	Siting, bulk and proximity of new buildings/extensions.
BE23	Requires the provision of adequate amenity space.
BE24	Requires new development to ensure adequate levels of privacy to neighbours.
HDAS-EXT	Residential Extensions, Hillingdon Design & Access Statement, Supplementary Planning Document, adopted December 2008
LPP 3.5	(2011) Quality and design of housing developments

5. MAIN PLANNING ISSUES

The main planning issues are the impact of the development on the character of the house and the area in general, and also the impact on the amenities of the adjoining occupiers. The impact on parking provision and amenity space also needs to be considered.

IMPACT ON CHARACTER AND STREETSCENE
The proposed porch having a forward projection of 1.5m, width of 2.m and a height of 2.85m would result in a relatively subordinate addition to the front elevation, being sympathetic to the design of the original dwelling. The proposed porch would not be intrusive to the street scene, given its reasonable size and location, relatively screened from the street scene by the boundary fencing of the private amenity space. Hence the proposed porch respect the character and appearance of the area. There are also a number of examples of similar porches within Pikestone Close The proposed porch would thus comply with Policies BE13, BE15 and BE19 of the Hillingdon Local Plan: Part Two - Saved UDP Policies (November 2012) and paragraph 8.2 of the Hillingdon Design & Accessibility Statement (HDAS): Residential Extensions.

IMPACT ON ADJOINING AND NEARBY PROPERTIES
The proposed porch, given its size and location would not have a detrimental impact on the amenities of any neighbouring occupiers. There would be no significant adverse impact in terms of loss of light or privacy, or overlooking or any overbearing impact or visual intrusion to the occupants of adjoining number 5 Pikestone Close. As such, the proposal would not be an unneighbourly form of development and in this respect would be in compliance with Policies BE20, BE21 and BE24 of the Hillingdon Local Plan: Part Two - Saved UDP Policies (November 2012).

AMENITY SPACE
The proposal would not add any habitable rooms or bedrooms to the property. Hence the amenity space requirement for the property would not increase. The proposal would be in

accordance with Policy BE23 of the Hillingdon Local Plan: Part Two - Saved UDP Policies (November 2012).

PARKING AND HIGHWAY SAFETY
The proposal would not have an impact on the level of parking provision for this property. The proposal is therefore in accordance with the Council's approved car parking standards and Policies AM7 and AM14 of the Hillingdon Local Plan: Part Two - Saved UDP Policies (November 2012).

The application is recommended for approval.

6. RECOMMENDATION

APPROVAL subject to the following:

1 HO1 Time Limit

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON
To comply with Section 91 of the Town and Country Planning Act 1990.

2 HO2 Accordance with approved

The development hereby permitted shall not be carried out except in complete accordance with the details shown on the submitted plans, numbers 1/1 and Proposed Sections.

REASON
To ensure the development complies with the provisions of the Hillingdon Local Plan: Part Two Saved UDP Policies (November 2012) and the London Plan (July 2011).

3 HO4 Materials

The materials to be used in the construction of the external surfaces of the development hereby permitted shall match those used in the existing building and shall thereafter be retained as such.

REASON
To safeguard the visual amenities of the area and to ensure that the proposed development does not have an adverse effect upon the appearance of the existing building in accordance with Policy BE15 of the Hillingdon Local Plan: Part Two Saved UDP Policies (November 2012)

4 HO5 No additional windows or doors

Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (or any order revoking and re-enacting that Order with or without modification), no additional windows, doors or other openings shall be constructed in the walls or roof slopes of the development hereby approved facing 5 Pikestone Close.

REASON
To prevent overlooking to adjoining properties in accordance with policy BE24 of the Hillingdon Local Plan: Part Two Saved UDP Policies (November 2012)

INFORMATIVES

1 On this decision notice policies from the Councils Local Plan: Part 1 - Strategic Policies appear first, then relevant saved policies (referred to as policies from the Hillingdon Unitary Development Plan - Saved Policies September 2007), then London Plan Policies. On the 8th November 2012 Hillingdon's Full Council agreed the adoption of the Councils Local Plan: Part 1 - Strategic Policies. Appendix 5 of this explains which saved policies from the old Unitary Development (which was subject to a direction from Secretary of State in September 2007 agreeing that the policies were 'saved') still apply for development control decisions.

2 The Council will recover from the applicant the cost of highway and footway repairs, including damage to grass verges.

Care should be taken during the building works hereby approved to ensure no damage occurs to the verge or footpaths during construction. Vehicles delivering materials to this development shall not override or cause damage to the public footway. Any damage will require to be made good to the satisfaction of the Council and at the applicant's expense.

LPP 3.5	(2011) Quality and design of housing developments

3 You are advised this permission is based on the dimensions provided on the approved drawings as numbered above. The development hereby approved must be constructed precisely in accordance with the approved drawings. Any deviation from these drawings requires the written consent of the Local Planning Authority.

4 You are advised that if any part of the development hereby permitted encroaches by either its roof, walls, eaves, gutters, or foundations, then a new planning application will have to be submitted. This planning permission is not valid for a development that results in any form of encroachment.

5 Your attention is drawn to the need to comply with the relevant provisions of the Building Regulations, the Building Acts and other related legislation. These cover such works as - the demolition of existing buildings, the erection of a new building or structure, the extension or alteration to a building, change of use of buildings, installation of services, underpinning works, and fire safety/means of escape works. Notice of intention to demolish existing buildings must be given to the Council's Building Control Service at least 6 weeks before work starts. A completed application form together with detailed plans must be submitted for approval before any building work is commenced. For further information and advice, contact - Planning, Environment and Community Services, Building Control, 3N/01 Civic Centre, Uxbridge (Telephone 01895 250804 / 805 / 808).

6 You have been granted planning permission to build a residential extension. When undertaking demolition and/or building work, please be considerate to your neighbours and do not undertake work in the early morning or late at night or at any time on Sundays or Bank Holidays. Furthermore, please ensure that all vehicles associated with the construction of the development hereby approved are properly washed and cleaned to prevent the passage of mud and dirt onto the adjoining highway. You are advised that the Council does have formal powers to control noise and nuisance under The Control of Pollution Act 1974, the Clean Air Acts and other relevant legislation. For further information and advice, please contact - Environmental Protection Unit, 4W/04, Civic Centre, High Street, Uxbridge, UB8 1UW (Tel. 01895 250190).

7 The Party Wall Act 1996 requires a building owner to notify, and obtain formal agreement from, any adjoining owner, where the building owner proposes to:

- carry out work to an existing party wall;
- build on the boundary with a neighbouring property;
- in some circumstances, carry out groundworks within 6 metres of an adjoining building.

Notification and agreements under this Act are the responsibility of the building owner and are quite separate from Building Regulations, or Planning Controls. The Building Control Service will assume that an applicant has obtained any necessary agreements with the adjoining owner, and nothing said or implied by the Council should be taken as removing the necessity for the building owner to comply fully with the Party Wall Act. Further information and advice is to be found in "the Party Walls etc. Act 1996 - explanatory booklet" published by the ODPM, available free of charge from the Planning, Environment and Community Services Reception Desk, Civic Centre, Uxbridge, UB8 1UW.

8 Your attention is drawn to the fact that the planning permission does not override property rights and any ancient rights of light that may exist. This permission does not empower you to enter onto land not in your ownership without the specific consent of the owner. If you require further information or advice, you should consult a solicitor.

9 Nuisance from demolition and construction works is subject to control under The Control of Pollution Act 1974, the Clean Air Acts and other related legislation. In particular, you should ensure that the following are complied with: -

A) Demolition and construction works should only be carried out between the hours of 08.00 hours and 18.00 hours Monday to Friday and between the hours of 08.00 hours and 13.00 hours on Saturday. No works shall be carried out on Sundays, Bank and Public Holidays.

B) All noise generated during such works should be controlled in compliance with British Standard Code of Practice BS 5228: 1984.

C) The elimination of the release of dust or odours that could create a public health nuisance.

D) No bonfires that create dark smoke or nuisance to local residents.

You are advised to consult the Council's Environmental Protection Unit, 3S/02, Civic Centre, High Street, Uxbridge, UB8 1UW (Tel.01895 277401) or to seek prior approval under Section 61 of the Control of Pollution Act if you anticipate any difficulty in carrying out construction other than within the normal working hours set out in (A) above, and by means that would minimise disturbance to adjoining premises.

10 You are advised that care should be taken during the building works hereby approved to avoid spillage of mud, soil or related building materials onto the pavement or public highway. You are further advised that failure to take appropriate steps to avoid spillage or adequately clear it away could result in action being taken under the Highways Act.

11 To promote the development of sustainable building design and construction methods, you are encouraged to investigate the use of renewable energy resources which do not produce any extra carbon dioxide (CO2) emissions, including solar, geothermal and fuel cell systems, and use of high quality insulation.

12 You are advised that care should be taken during the building works hereby approved to ensure no damage occurs to the verge or footpaths during construction. Vehicles delivering materials to this development shall not override or cause damage to the public footway. Any damage will require to be made good to the satisfaction of the Council and at the applicant's expense. For further information and advice contact - Highways Maintenance Operations, Central Depot - Block K, Harlington Road Depot, 128 Harlington Road, Hillingdon, Middlesex, UB3 3EU (Tel: 01895 277524).
