NOTES

This drawing must not be scaled. Figured dimensions only are to be taken from this drawing and are to be verified on-site.

This file represents a final architectural general arrangement drawing, issued at completion of the works to which it relates. It has not been verified by survey and is not to be taken as representing 'as-built' status.

This drawing has been prepared from record drawings and data supplied by others, and therefore may not represent accurate site conditions. Chapman Taylor does not assume any responsibility for errors and inaccuracies resulting from the use of such documents or graphical information.

The information shown on this drawing is indicative and for design intent only. The Contractor is to develop appropriate details to suit the design intent and the interfaces with other building elements and services. This drawing should be read in conjunction with specialist contractors' designs, details and specifications and has not been fully co-ordinated with other contractors' construction information.

This drawing is issued for information purposes only, as required for retention with the Health and Safety File (CHM Manual) and does not constitute contract documentation. Your use of the content of these files is at your own risk. Any document or drawing produced by yourselves and which contains all or any part of this data becomes your entire responsibility and attributable to yourselves.

In addition, the following rooms will be installed as part of the tenant fit out:

- AVI Facility
