Dear Mandip

TfL Landholdings, Green Lane, Northwood

Following our on-going discussions, and response to comments received from LBH Officers and statutory consultees, please find enclosed the following documentation submitted in support of the above planning application. This package of technical information follows the revisions to the scheme issued on 7 February 2016:

- Transport Assessment Addendum
- Air Quality Assessment Addendum
- Wind Assessment
- Equality Impact Assessment
- Flood Risk/Drainage Technical Note Addendum
- Revised Drawings (Outlined in enclosed Drawing Schedule)

The inclusion of further revised plans reflects the proposed changes to the road layouts as a result of further consultation with officers, associated with the Transport Assessment Addendum.

Hard copies of the above will follow by courier in addition to 3 X CDs. We would be grateful if you can confirm receipt of the electronic and hard copy documentation.

If you have any issues accessing the documents or have any queries, please do not hesitate to contact me.

Yours sincerely,

Tim Sturgess
Principal Planner
For and on behalf of GVA Ltd
