

General Notes

1. Do not scale from this drawing. All dimensions included are in millimetres unless otherwise stated. Verify all measurements on site.
2. Any discrepancies between this drawing and other documents should be brought to the attention of the engineer.
3. This drawing is not an installation drawing. It is the Contractor's responsibility to make final coordinated installation drawings.
4. The contents of this drawing shall be read in conjunction with the current revisions of Architectural, Civil, Structural, Mechanical, Electrical, Security, Telecommunications and all relevant sections of the specifications.
