Site Photographs

Project: **10 Romney Road, Hayes, UB4 8PU**
Report No.: **2039-RP-002**
Date: **03 November 2026**

Prepared in support of the Section 73 application to vary Condition 5 of planning permission 71564/APP/2017/2333.

Photograph 1 Soakaway installation

View of geocellular soakaway crates within the rear garden excavation at 10 Romney Road, showing surrounding sheet material and a drainage inlet pipe connected to the crate assembly.

Photograph supplied by AKL Services.

Photograph 2 Drainage inlet connection

Close-up of the drainage inlet pipe entering the geocellular soakaway crate assembly at 10 Romney Road, with surrounding sheet material visible.

Photograph supplied by AKL Services.

These photographs record visible installation features. They do not show the completed bedding, final cover, completed wrapping or an accessible silt trap.
