Reason for Lawful Development Certificate

Please indicate why you are applying for a lawful development certificate

- ☒ An existing use
☐ Existing building works
☐ An existing use, building work or activity in breach of a condition

Being a use, building works or activity which is still going on at the date of this application.

If Yes, to either 'an existing use' or 'an existing use in breach of a condition', please select the relevant Use Class.

Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

Existing Use:

The property at 126 Royal Lane has been a property let by me since mid 2007 primarily to students (the house typically homes 3 or 4 students with a capacity of 4 students) to support housing for the local Brunel University students. I wish for a lawful development certificate to continue to let the property (primarily to students albeit this may be to families, nurses, carers and similar from whom I also receive enquiries).

Thus, I wish for a Certificate of Lawfulness for the existing use of the property as a class C4 House in Multiple Occupation (HMO) given its long term use prior to the coming into force of the London Borough of Hillingdon Article 4 Direction in December 2025. As I understand it, the change of use from Class C3 to use C4 constituted permitted development pursuant to Schedule 2, Part 3, Class L of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended), prior to the LPA's Article 4 Direction Order in December 2025.

Grounds for application for a Lawful Development Certificate

Under what grounds is the certificate being sought

Where the use, building works or activity began **before 25 April 2024**

- ☐ The use began more than 10 years before the date of this application
- ☐ The use, building works or activity in breach of condition began more than 10 years before the date of this application
- ☐ The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years
- ☐ The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.
- ☐ The change of use to use as a single dwelling house began more than four years before the date of this application.
- ☒ Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

Where the use, building works or activity began on or after 25 April 2024

- ☐ The use, building works or activity began more than 10 years before the date of this application.

Decision on 126 Royal Lane

Details of the pre-application advice received

I queried Nicola Taplin (Planning Officer) as to why my initial application for 126 Royal Lane to continue as an HMO had been turned down. I had previously, and I think in hindsight erroneously, applied for Full Planning Permission following a discussion with a staff member London Borough of Hillingdon.

Nicola did not give any advice as such but highlighted that I could apply again via a 'Certificate of Lawful Existing development' given that I have been renting the property for 20 years and that nothing has changed bar the recent extension of licencing requirements in Hillingdon.

Interest in the Land

Please state the applicant's interest in the land

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
