

Pictures showing precedents re roof designs in Park Avenue, Elmbridge Drive and surrounding area

1. 187 Park Avenue- being constructed now and almost identical to our request

2. 167 Park Avenue- being constructed now- note height and a crown roof which Planning Officer advised me wouldn't get approved- this is opposite our house

3. Windmill Hill Ruislip- being constructed now

4. 123 Park Avenue:

5. 131 Park Avenue:

6. 7 Elmbridge Drive:

7. Our neighbours, next door 90 Park Avenue- note large gable over bay window:

8. 92, Park Avenue- note large gable:

9. Examples of new house recently built in Park Avenue and also roof in Dormywood opposite which both show rooves that “fail to harmonise” (from Planning refusal notice) with local environment and yet these have been allowed to be built:
