

Secured by Design Application Form

Secured by Design (SBD) is the UK Police flagship initiative supporting the principles of "designing out crime" through the use of effective crime prevention and security standards for a range of applications. SDB is owned by the Association of Chief Police Officers (ACPO) and is supported by the Home Office and the Planning Section of Communities and Local Government (CLG), as well as many Local Authorities across the UK.

The Secured by Design award is presented to a building owner or developer in recognition that the development was constructed in accordance with the secure standards of SBD.

Further details of the scheme can be found on the Secured by Design website: www.securedbydesign.com.

Please complete the attached form and return to Design for Security at:

info@designforsecurity.org

Please also provide PDF copies of the following drawings where available:

- Location Plan
- Site Plan
- Floor Plans
- Elevations
- Sections
- Landscape and Lighting Layouts
- 3D Visuals
- any other supporting documentation

We look forward to hearing from you.

Kind Regards,

The Design for Security Team
