**Management Information For 28 The Drive, Ickenham Uxbridge UB10 8AF.**

## ORGANISATIONAL CHART.

Above is the organisational chart of all staffs dedicated to working/supervising the activities of children and young people admitted to the property on 28 The Drive, Ickenham Uxbridge UB10 8AF.

From our statement of Purpose, the building is a four bedroom property which was proposed to accommodate maximum of 3 children at any given time. These children will be supervised by 3 adults from the period of 8am- 8pm on 1:1 staffing ratio.

Number of supervisory adult present in the property will reduce at night time to 2 staffs from the period of 8pm- 8am on 1:2 staffing ratio as it is assumed that children and young people accommodated in the property will all be settled and asleep at night time so less supervisory adult will be required at night time. Supervisory adult in the property at night time will be on wake & watch night duty.

The home will be registered with a regulatory body known as Ofsted which regulates the activities of children residential care homes in England and Wales.

All staffs included in our organisational chart have several years of experience working in health and social care with minimum of NVQ level 3 in children residential care. There will be minimum of 8 supervisory staffs in total on site working weekly on shifts patterns which can either be day or night shifts.
