Dear Sir/Madam,

BT InLinkUK DEVELOPER'S NOTICE. Installation of Electronic Communications Apparatus comprising an InLink at High St (OS No 57), Hillingdon, UB8 1JP.

As the relevant Highways Authority, please find enclosed a Notice informing you that the Harlequin Group, on behalf of BT plc, will be submitting an application to London Borough of Hillingdon Council shortly for a prior approval determination of the siting and appearance of the installation of the above ground based electronic communications apparatus.

This Notice is provided in accordance with Part 16 to the Town and Country Planning (General Permitted Development) (England) (Amendment) (No.2) Order 2016 (as amended) which requires landowners to be informed of the submission of the application. In this instance London Borough of Hillingdon as the relevant Highways Authority retains such rights for publicly maintained highways land on which the permitted development is located.

You will see from the Notice that you may make representations about the application directly to the Council as the relevant Local Planning Authority should you wish to do so.

Yours faithfully,

Carolyn Wilson MRTPI
Harlequin Group
c.wilson@harlequin-group.com

On behalf of BT/InLinkUK.

Developer's Notice

Proposed development at: **High St (OS No 57), Hillingdon, UB8 1JP.**

National Grid Reference: Easting 505464 Northing 184221

I hereby give notice, in accordance with Part 16 of the Town and Country Planning (General Permitted Development) (England) (Amendment) (No.2) Order 2016 (as amended), that the Harlequin Group, on behalf of BT plc will be applying to London Borough of Hillingdon for a determination as to whether their prior approval will be required for the siting and appearance of the following permitted development:

The installation of an InLink.

The application will be made to:

Head of Planning, London Borough of Hillingdon Council, 3N/02 Civic Centre High Street Uxbridge Middlesex UB8 1UW

The local planning authority has 56 days from the date it receives the application to consider whether prior approval will be required for the siting and appearance of the permitted development proposed and, if so, to grant or refuse such approval and to communicate its decision in writing to the applicant. The application will be made available for public inspection at the offices of the local planning authority during usual office hours.

Any person who wishes to make representations about the siting and appearance of the proposed development may do so in writing to the local planning authority at the above address. A period of at least 14 days, from the date of this notice, will be allowed for any such representations to be received by the Local Planning Authority.

Name: Carolyn Wilson, MRTPI
