R Reka,

Thank you for your e-mail.

I can confirm that permitted development rights were not removed with the original planning permission for the house.

Subject: Permitted Development Rights Query

You don't often get email from riti_reka@hotmail.com. [Learn why this is important](#)

Dear Sir/Madam,

Hope you are well.

I hope you can help me with a query as I have been trying to reach Planning department via telephone and visited Civic Centre but thus far has proved very difficult.

I would like to know whether my property which was built in 1964 has 'Permitted Development Right'?
