Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

This submission comprises of 2no. proposed changes to the existing approval:

1. Additional access off Breakspear Road South into the eastern end of the Copthall North worksite
2. Re-location of the existing access (Gate 2) at the western end of the Copthall North Worksite to a point approximately 100m north.

Please state why you wish to make this amendment

1. Additional access east of the Copthall North Worksite (BRS Crossing): This new access enables the crossing of construction traffic from Breakspear Road South (BRS) worksite into the Copthall North worksite therefore enhancing connectivity between 4no worksites
2. Relocation of the existing Copthall North Worksite west access (Gate 2): existing Gate 2 access clashes with the construction of the new re-aligned Harvil Road embankment.
