16 SWANAGE WAYE UB4 0NX (REF: 27066/APP/2019/1614)

This proposed is similar to the the above approval where the case officer stated:

Although it is noted that the side extension would project forward of the front building lines of Nos.18 and 20 Swanage Waye, this is limited and due to the turn in the road there is no clear set building line running along the street. The extension would also breach the building line along Blandford Waye, however, this row of properties is located over 50 metres from the application property. As such, it is considered that the extension would not be detrimental to the street scene.

This application is in similar situation and location as 16 Swanage Waye where there is no clear building line due to the turn in the road.
