Details of the pre-application advice received

Mr Lord has issued various emails. Previous to that we had Pre-App application with Mr Hardev Gill. Nothing could be agreed to keep the patio at the height it was built. Therefore the current proposal is to dismantle the patio and build a lower one. The proposal is for a patio which is 480mm lower than the original patio.

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
