Details of the pre-application advice received

Pre-consultation advice was sought from the planning department at Hillingdon Council on the 04th June 2020. A site information sheet (Site Detail Sheet), planning drawings and covering e-mail were issued to the Council for comment, prior to the submission of a formal application. To the best of my knowledge, the planning department did not provide a response in relation to the proposed scheme itself.

An application for prior approval was subsequently lodged on the 18th June 2020 (ref: 75666/APP/2020/1854). However, the application was later withdrawn to allow for further consultation to be carried out with RAF Northolt. Consultation was subsequently completed and a copy of the notice to the RAF base is included with this application. Please note, this application relates to a re-submission.
