

Architectural elevation drawing of a building facade. The drawing shows a proposed extension on the right side, indicated by red hatching. The existing structure is shown in white. A dashed line indicates a level across the facade. Labels include:

- Ex RWP (Existing Rendered Wall Panel)
- Roof tiles to match existing
- RL 1 (Reference Level 1)
- Smooth colourfast render

Architectural elevation drawing of a two-story house. The drawing shows the following features and labels:

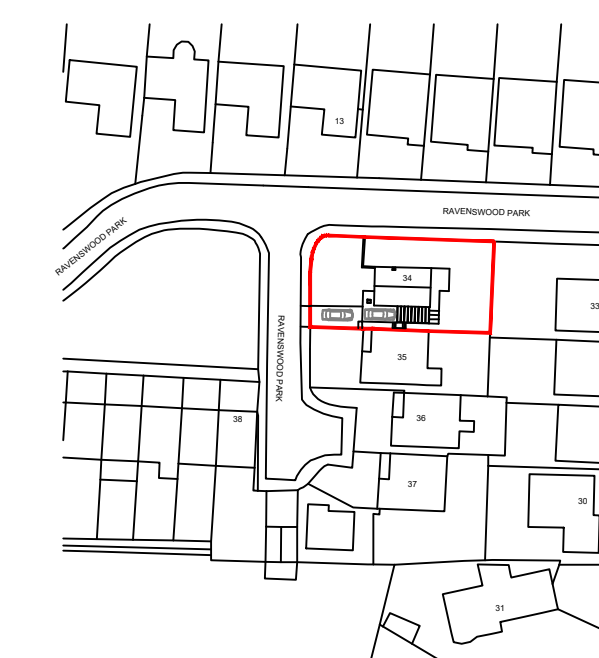

- Roof:** Red hatching indicates "Roof tiles to match existing".
- Chimney:** A chimney is located on the right side of the roof.
- Windows:**
 - Top left: A window labeled "New RWP" and "WF3".
 - Top middle: A window labeled "Ex SVP".
 - Top right: A window labeled "Ex FFL".
 - Bottom left: A window labeled "New RWP" and "DG4".
 - Bottom middle: A window labeled "Ex FFL".
 - Bottom right: A window labeled "Ex FFL".
- Door:** A door is located on the left side of the ground floor, labeled "New RWP".
- Brickwork:** Red hatching indicates "Brickwork to match existing".
- Other Labels:** "RL3" is located near the top left window, and "Ex SVP" is located near the top middle window.

Architectural elevation drawing of a two-story house. The drawing shows the proposed and existing features of the building. Key elements include:

- Roof:** Roof tiles to match existing (indicated by red hatching).
- Chimney:** A chimney is shown on the left side of the house.
- Windows:**
 - WF1: Window on the upper floor, right side.
 - WF2: Window on the upper floor, left side.
 - WF3: Window on the upper floor, left side.
 - WF4: Window on the upper floor, left side.
 - WF5: Window on the upper floor, left side.
 - WF6: Window on the upper floor, left side.
- Door:** DG1: Door on the ground floor, right side.
- Brickwork:** Brickwork to match existing (indicated by red hatching).
