## Description

Say goodbye to clutter with this dependable metal garden storage box. This versatile storage solution boasts a substantial capacity of 200L, offering plenty of room to stow away various outdoor items. Thanks to the heavy-duty hinges, opening and closing the box is a breeze, which allows effortless access to your stored belongings. To ensure the contents remain secure, it is designed with a twist grip cylinder lock, giving you peace of mind.

## Features

- Constructed from sturdy metal for long-lasting outdoor use
- Generous storage capacity of 200L for various garden essentials
- Easy opening with lift mechanism for easy access
- Twist grip cylinder lock ensures reliable and secure storage
- Anthracite finish adds a sleek and modern touch
- Requires minimal upkeep for hassle-free ownership
