Extracted from the pre-application report - "The NPPF has a requirement to encourage the effective use of land by re-using land.

The site lies within an established residential area where there would be no objection in principle to residential use of the site, subject to all other material planning considerations being acceptable, in accordance with policies outlined in the Hillingdon Local Plan.

Importantly, the proposal includes the delivery of new housing in the Borough, with positive social and economic benefits, as well as the provision of level access where this does not currently exist. This is material and weighs into the planning balance.

The proposed development would also intensify the use of a small site and increase density in an Outer London location, as promoted by London Plan policies in broad terms."
