Morning Nesha

Thank you for the confirmation on the cycles.

I confirm we agree to an extension of time until 25<sup>th</sup> March 2022

Kind Regards

Nigel Rose BA(hons) DipArch RIBA

Dear Mr Rose,

The cycle storage could be secured by condition, in the event of an approval. A revised drawing showing the cycle storage will therefore not be required at this stage.

Officers are still considering the acceptability of this application which means that a recommendation has not been reached yet. The extension of time request is to provide certainty that this application will be determined at the next available Planning Committee meeting being held on 10<sup>th</sup> March.

Please could you kindly confirm your agreement to the extension of time until 25<sup>th</sup> March? Thank you

Kind regards,

**Nesha Burnham (MRTPI)**

Hi Nesha

Please find attached a slightly revised car parking layout for your consideration.

As you will see these changes actually provide a net gain in the useable amenity area for the existing flats and more area within the car park for refuse storage.

Are you able to confirm your current recommendation for the application?

I look forward to hearing back from you.

Kind Regards

Nigel Rose BA(hons) DipArch RIBA

Dear Nigel

As discussed, a valid petition has been received which means that this application will have to be determined at Planning Committee. The next available Planning Committee meeting is being held on 10<sup>th</sup> March.

Please could the information requested in my email dated 30<sup>th</sup> January be submitted by this afternoon? Also, please could we agree to an extension of time until 25<sup>th</sup> March? Thank you

Kind regards,

**Nesha Burnham (MRTPI)**

Dear Nigel

I am writing to inform you that the above application has recently been re-allocated to me.

Please could you clarify what is meant by the annotation 'kerbs realigned' on the proposed site plan? Would this involve any changes to the refuse store adjacent to the existing garage block or to the existing wall dividing the car park from the communal garden?

Please could you provide a drawing specifically detailing the exact works that would be involved in the proposed kerb realignment?

It would be much appreciated if the requested information and drawing could be submitted by 3<sup>rd</sup> February.

Kind regards,

**Nesha Burnham (MRTPI)**
