

All new external materials to match existing host building unless otherwise specified.

Any side windows overlooking neighbouring properties will use obscured glazing and will be non-opening below 1.7m from the internal finished floor level measured down from the centre of the window unless otherwise specified.

Any proposed staircase is shown as a guide only. Exact layout and dimensions of the final staircases should be confirmed by the staircase company onsite.

Any worktops, cupboards or filled storage spaces shown are for illustration purposes only and not included in the contracted works unless otherwise stated.

This drawing is not to be scaled. Only fixed dimensions to be taken. Any discrepancies found by the General Contractor on site are to be reported to the Architect, prior to setting out or ordering any materials.
