Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Amendments to planning conditions 17 and 19.

Please state why you wish to make this amendment

Amendment of the triggers of conditions 17 and 19 to amend the trigger to 'prior to above ground works' instead of 'prior to commencement of development', and 'no development shall commence on site'. This is to allow the initial phase of the development to commence (enabling works etc.) prior to these additional details being developed. The amendment of the trigger will not prevent the requisite information being able to be provided and complied with, it will just allow the development to commence whilst further detailed design of the construction stage scheme is being worked up, so as to not unduly delay the development from commencing. The requirements of conditions 17 and 19 would not be affected by the proposed commencement of the enabling works and will be secured prior to the above ground works.

(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
