Details of the pre-application advice received

Duncan,

Thank you for your email.

From the plans you have submitted, if it is under the fence line then it would appear that the resultant form would no longer be a substantive reason for refusal, this is subject to full assessment and sign off.

With respect to the permitted development rights, due to the ongoing pandemic it is likely I will revert back to you next week on this, as the hard copies will need to be double checked.

13. Pre-application Advice

If you have any questions in the interim, please do not hesitate to contact me.

Kind regards

Hardev Gill

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
